9. Patient Rights Regarding This Authorization:
I authorize the release of the health information described above. By signing this form, I am authorizing the release of all records applicable to this request that are maintained as part of Rogers' health record regarding me. I understand that I may revoke this authorization; I must do so in writing and present the Cancellation of Authorization Form HIM-056) to the Health Information Department. I understand that my revocation will not be effective as to uses and/or disclosures: (1) already made in reliance upon this authorization; or (2) needed for an insurer to contest a claim/policy as authorized by law if signing the authorization was a condition to obtaining insurance coverage. I understand I may be charged a fee for preparing and delivering the records to fulfill this request. I understand that Rogers may not condition treatment, payment, enrollment, or eligibility for benefits upon execution of this authorization unless the services are being provided solely for the purpose of releasing the information to a third party. I understand that information used or disclosed based on this authorization may be subject to re-disclosure and no longer protected by the HIPAA Privacy Regulations, but that all recipients of information related to alcohol and drug abuse patient records are informed of the prohibition against disclosure as required by the Confidentiality Regulations found at 42 C.F.R. Part 2. I understand that I have a right to a copy of this authorization and that I have the right to a inspect or receive a copy of the material to be disclosed as required under Wisconsin §§ DHS 92.05 and 92.06 and 740ILCS110/4. Per Illinois State Statute 740ILCS110/5, the consent form shall be signed by the person entitled to give consent, and the signature shall be witnessed by a person who can attest to the identify of the person so entitled. I understand that a photocopy/facsimile copy of this document is as valid as the original form.

10. Authorization:

_____
Signature of Patient **Date/Time**
