

Rogers Behavioral Health is a nationally recognized, not-for-profit provider of evidence-based mental health and addiction services.

## Our Mission

We provide highly effective mental health and addiction treatment that helps people reach their full potential for health and well-being.

## Our Vision

We envision a future where people have the tools to rise above the challenges of mental illness, addiction, and stigma to lead healthy lives. We bring this vision to life by constantly elevating the standard for behavioral healthcare, demonstrating our exceptional treatment outcomes, and acting with compassion and respect.
