EXPERTS IN ONLINE EDUCATION

FOR THE WORKING ADULT

Because we partner with **Rogers** scholarships are available for you!

ABOUT US

At Concordia University, we've been training online students since 1998—online education isn't new to us. With over 90 fully online degrees to choose from, you can start your education anytime, and be confident we'll guide you the whole way with our team of counselors, and student success advisors. Concordia has a **strong tradition of educating working adults and our accelerated programs are designed with the working adult in mind.** Our goal is to provide information immediately applicable to the workplace.

Some of our **Healthcare Programs** include:

SOCIAL WORK

Do you have a heart for social justice and helping those in need? Congratulations. You have what it takes to change the world and be a social worker..
