2002 Summer Reunion

The best ever!

By: John Ashenbrenner, Vice President

Saturday, June 22, 2002 was a hazy, lazy summer day--- perfect for a picnic and reunion. And perfect it was! Alumni and Herrington residents began assembling at about 9:30 a.m. from as far as St. Louis and the Upper Peninsula of Michigan.

A continental breakfast was served prior to my opening welcome and the introduction of the speaker, Judge Patrick Snyder. Judge Snyder's theme was, "Celebrate Recovery." The 80 plus individuals warmly received his bittersweet and humor-laden remarks. He encouraged new residents of Herrington House along with alumni to keep celebrating the great gift of recovery.

Following the annual meeting, Mickey Gabbert, Manager of Chemical Dependency Services, flipped hamburgers and hot dogs. All feasted on generous and excellent picnic fare provided by Rogers Memorial Hospital. Wendy Kohlhaus and Charlie Schrauth, counselors at Herrington Recovery Center, joined the group.

One could hear the laughter and see more than an occasional tear as memories were shared. Friendships were renewed and new ones made. People played volleyball or just gathered in the garden to quietly share their "moments in recovery" with one another.

Mid-afternoon approached, as did the new event, "Carl's Hunt." A scavenger hunt, which would find teams driving within a 50-mile radius of the hospital. The scavenger list was a guarded secret and not revealed until moments before the hunt was to begin. At 7:00 p.m. everyone converged with his or her "gatherings," and there is some cause to doubt whether or not the two old boats that were dragged in for judging ever did find appropriate dumping sites. One of the teams made a pact to be back next year and demanded being on the same team.

The day ended with an open AA meeting around a blazing campfire under a beautiful almost full moon.

"Gabbert's Fire" as the meeting is called had as its theme, "An Attitude of Gratitude is a Never Ending Prayer." The huge gathering shared in their personal gratitude until almost 10:00 p.m. The mosquitoes were held at bay by lots of repellent!

The reunion was--the best ever!

This and That

Welcome to **Ruth Muller** of the Marketing Department who has replaced **Julie Kubik** as liaison to the HMAA board.

Thanks to Julie for her assistance these past years in assisting HMAA in all of its events and the publication of this newsletter. In order to better align program marketing, Julie has taken on the OCD and Eating Disorder partial hospitalization programs in addition to these two residential programs.

Jeanne Blommel was voted in as a new board member of HMAA. Jeanne is a Herrington Alum and will serve a 2 year term. Election of officers took place at the August meeting.

Contributions of **recovery-focused literature** continue to be needed at the Herrington House. Drop them off at either the Oconomowoc or the West Allis facility. Mark them, "Attention Mickey Gabbert." Financial donations for purchasing materials are also appreciated.

While we have been able to add a few females to the list of **rap speakers**, we are still in need of more. If you are interested and have a significant amount of clean/sober time, contact us at Herrington Recovery Center. All presenters need to be approved by staff. Raps are at 6 p.m. on Tuesdays and are coordinated by David Hathaway.
